Thank you for your interest in OTM! We are an independent private school offering an exceptional summer experience for students 2 years through those exiting 2nd Grade. Our summer program runs July 8th - August 9th. This summer we will be exploring all there is to know and love about being a farmer. From planting, tending and harvesting fruits, veggies and flowers from our school garden to taking care of our very own farm animals, OTM is where your young one will learn and thrive this summer!

STEP 1. COME VISIT!

Give us a call to schedule a private tour or to sign up to attend our next Open House! During your tour, we will guide you around our entire campus, both inside and out.

STEP 3. PARENT INTERVIEW & STUDENT ASSESSMENT

Once we receive your application, we will reach out within 2 business days to schedule a virtual or in person meet and greet where we will review your application information, confirm your requested attendance days and follow up on any questions you may have. YOU CAN BUILD YOUR CAMPERS SCHEDULE AS YOU SEE FIT. RATES ARE DAILY WITH A DISCOUNT IF THEY ATTEND FOR THE ENTIRE WEEK!

STEP 4. ACCEPTANCE

If your child has been accepted into our camp, you will be notified **BY EMAIL** within 2 business days of your assessment/interview. Within one week of acceptance, all necessary tuition and enrollment fees are due.

2024 SUMMER CAMP: SUPPLY LIST

This summer we will be exploring all there is to know and love about being a farmer. From planting, tending and harvesting fruits, veggies and flowers from our school garden to taking care of our very own farm animals. Children are never required to participate with the animals, such as chickens, goats and bunnies. We will also enjoy summer fun favorites such as water play ice pops and more!
